COSTA MESA MANDATES MASK, FACE COVERING IN PUBLIC

Face coverings are required while in public within the City of Costa Mesa. They are required to be worn at all times by employees of businesses that serve the public, as well as all patrons. This includes restaurants, grocery stores, hardware stores, convenience stores, gas stations, pharmacies, salons, barbershops, golf courses, Bark Park and all businesses that serve the public.

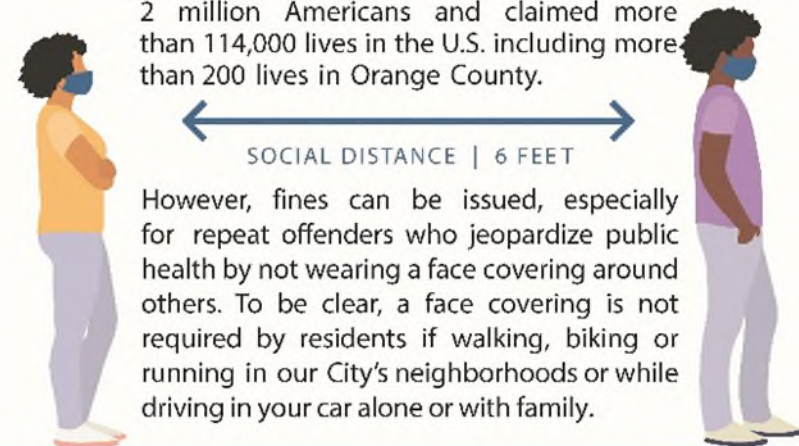

Masks are not required if you are exercising in public or while driving in your car alone or with family.

COSTA MESA MANDATES MASK, FACE COVERING IN PUBLIC

The intent of this order is not to issue fines. The intent is to reduce the spread of the virus that has infected more than 2 million Americans and claimed more than 114,000 lives in the U.S. including more than 200 lives in Orange County.

However, fines can be issued, especially for repeat offenders who jeopardize public health by not wearing a face covering around others. To be clear, a face covering is not required by residents if walking, biking or running in our City's neighborhoods or while driving in your car alone or with family.
